BY AQUA CREEK PRODUCTS

The Pro Pool Lift™ is the most technically advanced ADA compliant pool access lift available on the market today. The Pro Pool Lift™ - Battery features a compact design, powered by a 24 volt rechargeable battery. The lift frame is constructed of stainless steel, and has a UV resistant powder coat finish. In addition to the low-profile design, the Pro Pool Lift™ does not intrude into the pool when NOT in use and includes automatic chair or deck mounted controls, dual flip up arms, flip-up footrest, an adjustable lap belt and optional headrest. If you are looking to keep your deck clear and anchor free, then incorporating our Portable Kit will allow you to place the PRO POOL LIFT™ almost anywhere on the deck. The PRO POOL LIFT™-BATTERY is rated to lift 400 lbs. Limited 5-year warranty. Anchor included. Ships truck freight and weighs 130lbs.
